

# 2021 COLLECTION

As innovative items are released out into the world in a variety of fields, the lineup of people's personal effects is changing day to day.

In the modern world, bags are also in need of constant updates to keep up with these changes.

At SML, in addition to proposing bags to suit a variety of styles in keeping with the changing times, we also pursue stylish and functional beauty with timeless looks, providing product designs that help add richness to your lifestyle.
